MORNING MEETING

Seemingly all present except Lucie, Mike and myself. Welcome back to Carol! No doubt you had a great meeting!

INTERNATIONAL TOAST

Alison proposed a toast to the RC of Suva – which meets weekly for lunch. The club members include professional men and women and their charity fundraisers focus on the development of health, education, water and poverty. Like us, they have community work days and social events. Suva has been the capital of Fiji since 1877 and is geographically on the southeast coast of the island with a population of 93,970.

VILLAGE FESTIVAL

Planning continues. Updated rosters presented by Neil. Bev suggested having a photo booth. Robyn has purchased the EFTPOS square for the bar. Tickets are now open online.

Have a laugh!

An elderly couple had dinner at another couple's house. After eating, the wives left the table and went into the kitchen. The two gentlemen were talking, and one said, 'Last night we went out to a new restaurant and it was really great I would recommend it very highly.'

The other man said, 'What is the name of the restaurant?'

The first man thought and thought and finally said, 'What's the name of that flower you give to someone you love? You know, the one that's red and has thorns.'

'Do you mean a rose?'

'Yes, that's the one,' replied the man. He then turned towards the kitchen and yelled, 'Rose, what's the name of that restaurant we went to last night?'
